

Mission Statement

The mission of NOTCH is to guard, promote, preserve, and restore the health of persons residing in Franklin and Grand Isle counties. This will be accomplished by:

- a) applying the healing arts to all with a focus on prevention;
- b) educating and motivating persons regarding positive health activities;
- c) identifying potential health hazards;
- d) reaching out, seeking to serve, and making a difference in the lives of those served regardless of ability to pay;
- e) providing facilities, staff, equipment, and supplies for the use of those we serve;
- f) and establishing and maintaining the organization's financial viability, thus ensuring its enduring service.
