I understand that, to the best of my knowledge, all of the proceeding answers are true and correct. If I ever have any change in my health or medications, I will inform my health care provider immediately. We set aside time just for you. If you're running late or must change an appointment, please call us as soon as possible. Arriving late may require your provider to reschedule your visit to allow enough time for your care. If you miss an appointment, you may have to wait for another opening. By calling us when you are unable to make your scheduled appointment, we are able to see other patients waiting for an appointment.
